

Congregation for Rosarian Sisters, the *Rosarian Sisters of Lanka* were founded by the Bishop of Jaffna on the 22nd August 1950. Now there are some 60 Rosarian Sisters distributed in two Convents: one, at Vasavilan in N. Ceylon; the other, in India.

Because the Rosarian Congregation is in need of hundreds of good vocations from among the youth in Ceylon and India this booklet was printed and spread everywhere as « A Call to Generous Souls ».

Rev. ALESSANDRO COSTA, O.M.I. — *Catechism in Slavey — Beaver Indian Language* (for Hay Lakes District).

This little but precious booklet, nicely presented by its Author, Rev. Alessandro Costa, O.M.I., of our Grouard Vicariate (Canada), has been published for the purpose of giving to the Indian people of Hay Lake District a Catholic Catechism in their own tongue.

At the beginning of the 20th Century some families of the Slavey and Beaver and even Cheppewan Indian tribes, established themselves on the territory actually called *Assumption, Habay, Zamma Lake* and *Duck Lake*. They formed gradually, all through their social relations, a new mixed language, pretty different from all the other branches of Dene language, and similar, however, to the pure Slavey and Beaver mother-languages.

The need of a Catechism in their own tongue was soon and urgently felt and expressed. The Catechism, requested by His Exc. Bishop Henri Routhier, O.M.I., Vicar Apostolic of Grouard, was prepared by Rev. A. Costa, with the help of the school children, boys and girls, in accordance with the pure Slavey Catechism printed in 1911 (under Bishop Breynat) and with the help of the pure Beaver Cat-

echism printed in 1926 and approved by Bishop Grouard.

The A. adapted these texts to this present day and age, keeping in view the new laws of the Church.
